

Have you or your loved one struggled with substance use?

Would you like to share your voice on Black healthcare issues & possible solutions?

If you are 18 years or older and use TMH for primary care services, we invite you to participate in a research study about how to reduce racial bias and improve access and the quality of healthcare for everyone.

- Participants will be asked to participate in: 2 in-person 90-minute group discussions, refreshments will be provided.
- Participants will receive: an \$50 electronic gift card for each completed group discussion (up to \$100).

Are you eligible?

- 18 years and older
- African American/Black
- Receive your primary care at Tallahassee Memorial Healthcare (TMH) Family Medicine
- Have struggled with substance use or have a loved one who struggled with substance abuse

Want to find out more?

If you are interested in participating or have any questions about eligibility to participate in this study, please EMAIL any of the study team members below:

Transformative Health Justice Collaborative: TRHealthJusticeCO@med.fsu.edu

Dr. Meardith Pooler-Burgess: Meardith.pooler@med.fsu.edu

Ms. Taylor Watson: Taylor.watson@med.fsu.edu

Transformative Health Justice Collaborative is a research study with Florida State University, Wellbeing and Equity Innovations, and Washington University in St. Louis.

We are committed to health justice.
