HOW DOES MY BRAIN HEAR?

Learn more by participating in our study!

HEAR LAB(<https://hear.cci.fsu.edu/>)

Participants will listen an assortment of different sounds and share what they hear for research! Get a free hearing test and an hourly stipend (\$15/hour)!

We at the HEAR LAB are focused on way our brains interpret speech sounds and the differences between normal hearing participants and those with hearing loss.

Contact us at hearlab@cci.fsu.edu or call (850) 645-3172
