

## HIV Knowledge Study

We are looking for people to participate in a study about challenges and barriers related to HIV testing and treatment.

### You Might Qualify If You

- Are 18+ years old
- Live in a rural county in North Florida
- Are sexually active

### Participation Involves

- Private interviews, on the phone or in-person, that last for 30 to 60 minutes
- HIV knowledge surveys

### Participants Receive

- A \$10 digital gift card when they complete the survey

If you want to participate, please contact **Merrin Goldstein** in the Department of Anthropology at [mhg18@fsu.edu](mailto:mhg18@fsu.edu) or 863-944-2400
